Dear Mark,

What an incredible experience! Thank you for creating the first UHN Amazing Race in support of Nursing Education. The planning committee, volunteers and participants could not have been more pleased with your company's talent and professionalism. You delivered a fun and exciting team building activity for all the racers. Everyone that I have spoken to thoroughly enjoyed the course and is looking forward to racing next year.

I would like to thank you for your flexibility and encouragement. My role at UHN is not in fundraising or events and so there were times when I was uncertain and needing guidance. You always took time to answer all of my questions, calmed my concerns and were a voice of support and enthusiasm.

At the end of the day UHN raised more than \$30,000 for our Nursing Education Fund. We could not have done this without you. We are currently in the process of reviewing this year's event and discussing how we will move forward with this event. Rest assured that if there is the second annual UHN Amazing Race I can not think of any one but you building it!

I look forward to working with you in the future and wish you continued success with Amazing Race Toronto and Amazing Race Canada.

Sincerely,
